

## **ADMIRALTY SECONDARY SCHOOL PARENT SUPPORT GROUP (PSG)**

### **Invitation to Join the Parent Support Group (PSG)**

Dear Parents/Guardians,

Welcome to the Admiralty Secondary School family! As your child/ward embarks on this exciting new chapter, we warmly invite you to journey alongside us through the Parent Support Group (PSG), a vibrant community of parents/guardians who believe in supporting one another and partnering with the school to promote students' well-being and holistic development.

At Admiralty Secondary School, we strongly believe that when parents/guardians and the school work closely together, students thrive. The PSG plays an essential role in nurturing this partnership, helping every student feel supported, motivated and confident as they grow.

#### **A Special Invitation from the PSG Executive Committee**

Led by Mdm Joey Ching (Chairperson) and Mdm Cindy Tay (Vice-Chairperson), the PSG Executive Committee is committed to strengthening school-home partnership and supporting parents/guardians at every step of this journey.

We believe “Every parent/guardian brings a unique strength. Together, we create a caring and uplifting ADSS family.”

Whether you prefer helping at activities/events, sharing your expertise or simply staying informed, there is a place for you in our PSG.

#### **What Do We Do?**

- a) PSG facilitates timely and effective communication between the school and the parent community, thus strengthening the school-home partnership.
- b) PSG supports parents/guardians with resources on parenting tips and strategies, offers guidance, and helps them strengthen their relationships with their children/wards.
- c) PSG journeys alongside parents/guardians and their children/wards, promoting emotional resilience and well-being among students.

Throughout the year, the PSG supports and co-organises meaningful activities and events that bring our community together such as:

- a) ADSS Experience/Open House
- b) Admirals' Run
- c) Tea Session with School Leaders
- d) Parenting Talks / Workshops
- e) Parent-Child Bonding Sessions
- f) Spreading Warmth and Gratitude Day
- g) Graduation Ceremony
- h) PSG Appreciation Day

Behind every activity stands a dedicated group of parents/guardians who contribute their time and effort to support our students and enhance the school community.

### **A Strong Partnership for Our Students**

The strong partnership between the school and the PSG has enhanced students' holistic development. This commitment is exemplified by the PSG's signature programme, "Let Us Chat!" launched in May 2021 to support students' learning, promote emotional well-being and strengthen parent-child relationships.

### **Together, We Help Our Children/Wards Grow**

By joining the PSG, parents/guardians can better understand their children/wards, strengthen communication and support their emotional well-being. When children/wards see their parents/guardians involved and connected in their educational journey, they feel more secure, confident and motivated, laying the foundation for a lifelong love of learning.

### **Join Us Today!**

Be part of this meaningful partnership. Your involvement, no matter how small, creates ripples of encouragement across our school community.
