

# Your Support, Our Admirals' Wings to Soar

## Welcome to Parent Support Group (PSG)

### What do we do?

1

PSG facilitates timely and effective communication between the school and the parent community, thus strengthening the school-home partnership.

2

PSG supports parents/guardians with resources on parenting tips & strategies, offers guidance, and helps them strengthen their relationships with their children/wards.

3

PSG journeys alongside parents/guardians and their children/wards, promoting emotional resilience and well-being among students.

### Positive impact of your support

1

Parental involvement and an effective school-home partnership are important forms of emotional support for children/wards.

2

Parental involvement helps children/wards develop a lifelong love of learning.

3

Children/wards show more positive attitudes when their parents/guardians are closer to them and understand them better.

4

With your support, our students grow holistically and our school community continues to thrive.

### Our signature initiative and activities

1

"Let Us Chat!" – We empower parents/guardians with the knowledge and skills to support their children's/wards' learning, promote emotional well-being and strengthen parent-child relationships.

2

"Tea Session With School Leaders" – We provide a unique opportunity for parents/guardians to engage in open dialogue with school leaders.

3

Parent-Child Bonding Sessions and Other Activities – We provide opportunities for parents/guardians and their children/wards to create great memories & engage in meaningful conversations.

### We warmly invite you, come join our PSG!
